

V. P. I. CORPS LARGER THAN WAS EXPECTED

Enrollment to Exceed 450, Which Is Above Maximum Estimate of Authorities.

SOME CHANGES IN FACULTY

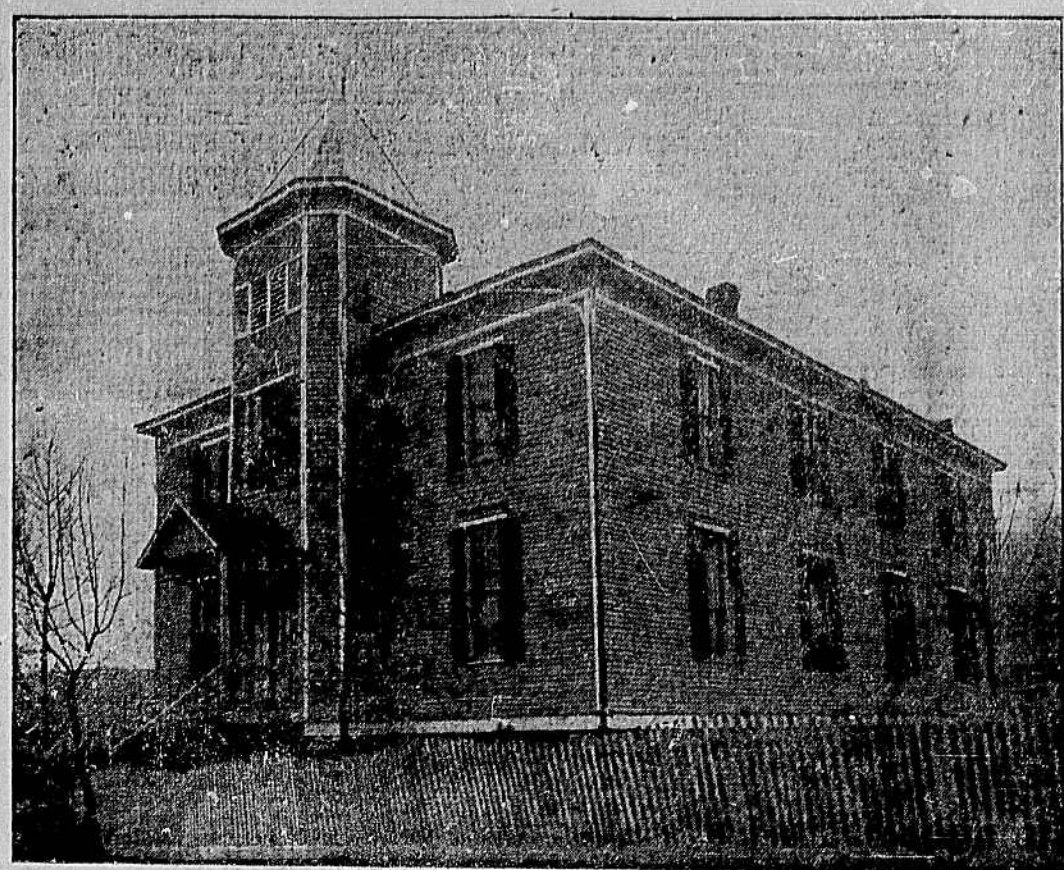

Several New Men Enrolled and Others to Come—Men to Room by Companies.

[Special to The Times-Dispatch.]
BLACKSBURG, VA., September 21.—With the reopening of the Virginia Polytechnic Institute, the advent of four hundred students and the return of the fifty-six members of the faculty from their summer vacations, Blacksburg takes on new life this week. The parents of a number of the new students accompanied them here, and the boarding-houses are full to overflowing. The enrollment and matriculation of the cadets will occupy the first few days of next week, after which the regular work of the term will begin. More new students are here than were expected, and it is probable that the enrollment will exceed four hundred and fifty, the maximum estimate given out heretofore by the authorities.

Faculty and Officers.
Announcements for the session of 1907-1908 have been issued from the president's office. This shows that the members of the regular faculty, with the names of the professors of astronomy and agriculture left blank, as they are yet to be elected. There are twenty assistants and instructors and twenty other officers of the institute, the latter including the superintendents of the various departments other than the actual teaching force. Of these, Dr. Quick and Professor A. P. Spencer are new men; Professor J. M. Johnson returns as instructor in geology after a year's absence, and there are a number of assistants selected from the graduating class of last year, who will also do special post-graduate work. Mr. C. L. Wade continues as instructor in the institute, with Mr. Courtney Williams as assistant. Dr. W. F. Henderson is the surgeon, and Miss Anna Hannah superintendents of the infirmary. Mr. J. H. Shultz, steward of the dining hall, Mr. C. H. Cuthbert, superintendent of the book department, John H. Keiser of the tailoring department, and L. M. Hale, superintendent of the laundry, and D. O. Mathews, superintendent of buildings and grounds. Miss Margaret Spencer continues as secretary to the president, Miss Virginia M. Patton as clerk to the commandant, and Miss Louise Nelson as clerk of the executive council. Mr. H. D. McTier is musical director, and the chaplains are the pastors of the various churches of the town. Rev. D. J. Woods, A. J. Nock, E. B. Keim, E. B. Jackson, J. M. Killian and W. H. H. Joyce.

Room by Companies.
A new system will be followed this year in rooming the cadets. This is by companies, the men in each company being put in the same division under the immediate charge of their respective captains, each of whom will be directly responsible for the order on his floor or division. Every student is required to room in barracks, the only exceptions being those having near relatives in the town or employed on the farm or in some of the departments of the institute, where their presence at certain hours is necessary. The regular student takes his meals at the institute dining hall, has his clothes done at the laundry or made at the tailor shop, buys his books, room supplies and gets his mail at the college book store, has medical treatment twice daily at the infirmary, enjoys

THE NEW CASTLE HIGH SCHOOL

This is a type of the splendid school buildings now being erected in Craig county.

the privileges of the library and reading room on the ground, and really need never leave the limits of the campus except on Sunday morning, when he is required to attend one of the churches in the town, unless he wishes to do so.

ELON STARTS OUT WELL

Bright Prospects for Largest Attendance in School's History.
[Special to The Times-Dispatch.]
ELON COLLEGE, N. C., September 21.—The eighteenth annual session of Elon College, which began on September 15th, has reached the highest mark of enrollment to date. Last year the total enrollment was 212 students; the year before it was 173, which was the first year of President Moffitt's administration. The year before President Moffitt was elected president of the college the enrollment was 137. It begins to look now as if 275 or 300 students will matriculate during the present season. This steady increase in numbers under the new administration indicates the confidence the public have in the administration, and also proves the foundation of the policy the administration is pursuing.

Four new members have been added to the faculty—John T. Cobb, M. A., professor of physical sciences and history; Mr. V. C. Pritchett, Ph. B., and special student at Harvard University in the graduate department, instructor in physical sciences of the athletic department; Miss Ethel Cook, of the Corcoran Art School, head of the art department; Mr. Campbell, the director of the band and instructor in stringed instruments. The new athletic field is well under way, and will be ready for athletic contests between Elon College and other colleges in the spring. Arrangements have been made for a strong baseball team for the coming season. Mr. J. A. Vaughan, manager of the baseball team, has already signed up for several games, and he expects to

have a full roster within the next month. Mr. F. C. Richardson, who has quite a reputation as a pitcher, has just arrived on the hill. His brother, who has a fine reputation as a catcher, will be in within a few days. These additions to the college team will tend to make it a strong one.

Mrs. Helfenstein, the director of the allocation department, has also become the director of the physical culture course and the gymnasium for young ladies. The gymnasium outfit has been ordered, and the work will begin at once. This adds another strong feature to the equipment of the college.

OUTLOOK IS VERY BRIGHT

Southern Seminary Looks Forward to the Best Session in Its History.
[Special to The Times-Dispatch.]
RUENNA VILLA, VA., September 21.—The Southern Seminary will enter upon its fortieth year on the 25th. The institution today is in a most prosperous state, and it is looking forward to its fortieth year as the greatest of its long history. Some weeks ago the number of applications and entrances were such that arrangements were made for increased accommodations. There have been entrances from as distant sections as South Dakota, and applications for entrance from as remote countries as Hawaii.

There have been but few changes in the faculty. Prof. W. R. Smithwick, so favorably known through his long and honorable connection with the institution, will not return. When he left at the close of the session he did not know but that he would spend a year in Europe. Mrs. B. P. Barnes, for four years matron, will not return. Her health does not permit her continuance in the work. Prof. Henry Martin, Ph. D., of Johns Hopkins University, is one of the new members of the faculty. Prof. Martin, after taking his A. M. at Richmond College, taught for several years before entering the University, and his summary is to be congratulated on having one who not only has such prestige of scholarship, but who has experience in this great line of teaching. Extensive improvements have been made within and without the building.

DAVIDSON COLLEGE FILLED

Session Begins With Enrollment of 300 Students.

[Special to The Times-Dispatch.]
DAVIDSON, N. C., September 21.—Davidson College has opened with a record-breaking attendance, having enrolled already three hundred students. As the college has no departments of law, medicine, theology or pharmacy, confining itself entirely to the regular college course in the liberal arts and sciences, this enrollment makes this student body one of the largest in the South composed of genuine college students.

Within the last two years the trustees have added several new professorships, including a full professorship of physical training. This new department will be established in September, 1908, and the various forms of physical culture at the college will be co-ordinated and placed under the direction of the new professor. The intention is to make regular, systematic training of the body occupy the same plane as mathematics or the sciences. Coach Graham has a football squad numbering from fifty to sixty. More than half of last year's team must be replaced by new men, and the competition is spirited for each vacant position. One of the most important games is with the University of Virginia at Charlottesville, on September 27th.

The Y. M. C. A. has just announced its Lyceum course for 1907-18. It is quite an ambitious and expensive one, and will be liberally patronized by the students. The following is the list of the entertainments:

October—Captain Richmond Pearson Hobson.
November—Dr. Walter W. Moore.
January—Hon. John Temple Graves.
March—The Lyric Club.
April—Ralph Bingham, the humorist.

THE ALBEMARLE SCHOOL

Teachers for the Scottsville District. High School Opens.

SCOTTSVILLE, VA., September 21.—The District School Board met in Scottsville on Saturday and contracted with the teachers for the session of 1907-08. Following is a partial list of the appointments:

Scottsville High School—Mr. Clarence Campbell, principal; Miss N. M. Hill, assistant; Miss E. W. Farrar, intermediate grades; Miss W. E. Hickok, primary grades.

Albermarle High School—Mr. W. E. Gilbert, principal; Miss Ramsey, March—The Lyric Club.

Scottsville High School—Miss Mary Butler, Warren—Mrs. Dora Lynch, Bolling Springs—Mrs. F. H. Farrar, Ramont—Misses Josie Dawson and L. O. Wingfield, Carter's Bridge—Miss Nora Merrick, Robinson School—Miss Pao, Woodridge—Miss Emily Davis, Mount Alto—Miss Ramsey.

Teachers holding first-grade certificates will be paid \$30 per month this session, an increase of \$3 per month over last session. High School opened on Monday with an enrollment of about ninety pupils, which will probably

increase to more than one hundred in a short while. Addresses were made by the Rev. T. E. Johnson, Mr. J. P. Blair and Professor Campbell.

Hollins Opens Well

HOLLINS, VA., September 21.—Hollins opened Wednesday. So far there are 160 matriculants, with girls coming in by every train. Every room is taken, and there is a large number on the "waiting list," ready to come as soon as any one who expected to come drops out. Everything promises a prosperous session.

Kewick Bridge Club

[Special to The Times-Dispatch.]
KESWICK, VA., September 21.—Mr. and Mrs. George Meason entertained the Kewick Bridge Club most charmingly on Wednesday afternoon at "Edge Hill," their beautiful and historic home. The meeting was called to order by the president, Mrs. John D. Sawyer, and several matters of interest were brought up before the club.

After the business meeting bridge was played, the club adjourning to meet two weeks hence at the Kewick Hunt Clubhouse, when Mr. Joseph Everett will entertain. Those present on Wednesday were Mr. and Mrs. Sawyer, Mr. and Mrs. Magruder, Mr. and Mrs. Leonard, Mrs. Houghton, Mr. and Mrs. George, Houghton, Mr. and Mrs. K. Houghton, Mr. and Mrs. E. Chisholm, Mr. and Mrs. J. A. Chisholm, Mrs. and Miss Henry, Miss Gaffney, Mr. and Mrs. J. H. Gaffney, Mr. and Mrs. Minor, Miss Meason, Miss Ingersoll, Mrs. Caridine, Mr. Darden, Mrs. Reed, Miss McGee, Mrs. Taylor, Mr. Rafferty, Mr. and Mrs. Meason.

Belgian His Second Century

Belgium lays claim to the oldest man in the West, and the oldest violinist in Jacob Workleiser, of Champaign county. He is now in his one hundred and seventh year, having been born in 1801, and he has since lived in Central Illinois. The old man boasts that he has been sick but two weeks. He is a staunch believer in total abstinence and uses tobacco sparingly. The violin is his delight. He plays entirely by ear, and knows all of the popular airs.

HEAT RASHES

Soothed by gentle aointings with Cuticura Ointment, the Great Skin Cure, preceded by warm baths with

For eczemas, rashes, itchings, irritations, inflammations, chafings, sunburn, red, rough, and sore hands, for lameness and soreness incidental to outdoor sports, and for all the purposes of the toilet, bath, and nursery; Cuticura Soap and Cuticura Ointment are priceless. Guaranteed absolutely pure.

CRAIG COUNTY HAS FINE SCHOOLS

Great Movement for Education in Little Mountain Section of State.

NEW BUILDINGS ERECTED

High Schools Are Equipped With Boarding Departments and Other Conveniences.

Craig being one of the newer formed counties located in the southwestern portion of the State, where the mineral and timber interests have been but slightly developed, the county for this season has a small school population, which, according to last census, was 1,305 white children and 50 colored, the latter being scattered in different sections of the county, making it impossible at this time to operate a colored school. Very rapid progress has been made in Craig during the last few years, and the reference to public school buildings have been remarkable. The rural districts are all supplied with commodious frame houses, nicely furnished and equipped with modern furniture. At numerous points large two-roomed buildings are very successfully operating. The county already has a number of these consolidated schools and others are contemplated. Two public high schools are geographically located so as to be accessible to a great portion of the school population. Maywood High School is located in the western portion of the county, surrounded by a prosperous agricultural and grazing section. The people of the community are progressive and have the interest of the institution at heart. The grounds are very attractive and include about three acres, giving abundant room for all kinds of exercises. The building is a two-story structure with a ninety-foot front. A double porch extends along the entire front, affording ample room for exercise during the winter months. The building contains forty-three apartments—thirty-five rooms and eight halls. The recitation rooms are large and well lighted. The shape in which the religious and literary exercises are held is 60x33 feet. The water supply is furnished direct into the building from a large, sparkling mountain spring. The High School Building is located at New Castle, the county seat, a thriving town noted for its picturesque location. The building is a two-story structure with two rooms and two large halls, with double porch at rear extending full length of building; also roomy porches on each side. The building is supplied by a large mountain spring.

Both these high schools are equipped with boarding departments, where about forty students each, besides the faculty, may be accommodated. Connections for lights and fuel, costs about \$5 per month, and if the patron so desires, all or a portion of this fee may be paid in advance. The boarding department, from his farm or dairy. Students are admitted to the boarding department from the schools of the county free of tuition, provided they are ready to take up the high school work. Music is taught by a competent instructor, and the public schools of Craig are a whole, never in a more prosperous condition. School officials and patrons are working in the same way, and it is to be hoped that the Board of Supervisors will shortly increase the school levy, in order that the necessary funds may be had to advance the school work along the needed lines.

The length of the school term has been recently lengthened, and no school is started less than six months. The salary of teachers (while it is not what it should be) has been increased considerably. The average salary paid for session of 1905-06 was \$31.25. The average salary paid for session of 1906-07 was \$31.25. The maximum salary paid for 1907-08 was \$40 per month. The maximum salary for 1908-09 was \$40 per month. The maximum salary for 1909-10 was \$40 per month. The maximum salary for 1910-11 was \$40 per month. The maximum salary for 1911-12 was \$40 per month. The maximum salary for 1912-13 was \$40 per month. The maximum salary for 1913-14 was \$40 per month. The maximum salary for 1914-15 was \$40 per month. The maximum salary for 1915-16 was \$40 per month. The maximum salary for 1916-17 was \$40 per month. The maximum salary for 1917-18 was \$40 per month. The maximum salary for 1918-19 was \$40 per month. The maximum salary for 1919-20 was \$40 per month. The maximum salary for 1920-21 was \$40 per month. The maximum salary for 1921-22 was \$40 per month. The maximum salary for 1922-23 was \$40 per month. The maximum salary for 1923-24 was \$40 per month. The maximum salary for 1924-25 was \$40 per month. The maximum salary for 1925-26 was \$40 per month. The maximum salary for 1926-27 was \$40 per month. The maximum salary for 1927-28 was \$40 per month. The maximum salary for 1928-29 was \$40 per month. The maximum salary for 1929-30 was \$40 per month. The maximum salary for 1930-31 was \$40 per month. The maximum salary for 1931-32 was \$40 per month.
